## Company Profile

Shenzhen Jiya Technology Co., Ltd. is an integrated design, manufacture, sales and service as one body high-tech enterprise, located in LongGang District, Shenzhen, China. We mainly specialize in the adult sex products from medium-end to high-end. JiYa has been in this sex toy industry for 5 years. We have a strong design team and a series of relative perfect quality supervision system, which meets the individual demand of different groups with its abundant product line including bullet vibrators, dildo vibrators, vibrating rings, prostate massage, anal plug, love balls with high quality and unique aesthetic design. JiYa always supports the new fashion, high quality, aesthetic and innovative design idea, and our products are being distributed to the UK, Germany, Sweden and so many European countries, Canada, USA, Australia and Africa. Our goal is to form a first-class enterprise in the sex industry. Furthermore, we also provide OEM and ODM service. Now we are actively taking steps to further expand the international market year by year. Our factory occupies an area of 1500 square meters. There are four assembly lines, one packing line, specialized warehouse, injection department, Logo laser/print department. Over 100 employee, include experienced designers (ID designer 1, graphic designer 2), engineer (structural engineer 1, electronics engineer 1) sales (professional overseas sales 15) and QC experts team (10 professional and strict QC) to make our products more and more professional, famous, high quality. We only do private label products, all of our products are our own design with patent certification. All products are made of medical-grade, non-toxic and free-phthalate material complied with international health standards and certified CE.
